DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This house, located on the south side of West Potomac Street, is a two story, four bay structure, possibly built of log. It is now sheathed with aluminum siding. The window and door arrangement at the first story has possibly been altered with the windows enlarged and the door transom removed. It appears, also, that one bay at the first story has been closed in. Windows have two over two pane sashes with arched upper panes. Other exterior finishes are modern.
